

# PEAK™ PLATELET RICH PLASMA SYSTEM

**POWER IN SIMPLICITY™**  
**REPRODUCIBLE RESULTS**

PEAK™ Platelet Rich Plasma System **consistently delivers 3ml of 7.8x high-concentration platelet rich plasma<sup>1</sup>** from 27ml of whole blood with only a 60 second spin.

## PEAK System Value Proposition

- |                                |   |
|--------------------------------|---|
| <b>1. REPRODUCIBLE RESULTS</b> | Consistent high platelet recovery with minimal platelet activation <sup>1</sup>                 |
| <b>2. FAST PROCESSING TIME</b> | Fast 60-second spin with a total 2.5-minute processing time                                     |
| <b>3. SMALL AND PORTABLE</b>   | Portable and lightweight at less than 3 lbs the PEAK System is easy to use at any site of care  |
| <b>4. EASE OF USE</b>          | Simple 3-step automated process with 1 intuitive user-dependent step and no ports to manipulate |
| <b>5. PATIENT EXPERIENCE</b>   | Patients can see their own blood transform into PRP right in front of their eyes                |
